## NOTES OF METODOLOGY

### Source and methods of data collection

The purpose of the research is to gather information on the work of transfer companies and gather information on the temporary import, temporary export, transit, the number of vehicles at the exit international road transport at the door, international road transport at the exit. Data on cross-border traffic of freight motor vehicles cover all border crossings where there are customs offices. Data for cross-border traffic of freight vehicles and goods Agency for Statistics of BiH has taken from the Indirect Taxation Authority BiH. Data includes all freight road vehicles and goods crossing the border and entering or exiting the Bosnia and Herzegovina. Freight motor vehicles are grouped according to a country of registration and monitored according to the directions of movement and border crossings.

### DEFINITION

Border crossing is a place intended for crossing the state border. Border crossings are international, interstate or local ones. They may be road, railway, air, maritime crossings or crossings on inland waterways.

Border crossings for the international traffic are intended for a cross-border traffic of citizens of the Bosnia and Herzegovina and citizens of other countries.

Border crossings for the local traffic are intended for a cross-border traffic of citizens from a certain area of the Bosnia and Herzegovina and a certain area of the neighbouring country according to the international agreement

Goods in entry are goods that entered the customs territory of the Bosnia and Herzegovina, while goods in exit are goods that exited from the customs territory of the Bosnia and Herzegovina.

Freight vehicle is a motor vehicle used for the transport of goods, which is recorded by the Customs Authority in the entry to the customs territory of the Bosnia and Herzegovina or in the exit from the customs territory of Bosnia and Herzegovina

Transit means the transport of goods from the customs territory of one part to another office in the same territory, in accordance with the conditions provided for by national laws and regulations of that country
