## **NOTES OF METHODOLOGY**

Statistical data on aircraft movements, number of passengers, freight and mail transported on airports in BiH are taken from Directorate of civil aviation of BiH. Directorate processed supplied statistical data in accordance with International Civil Aviation Organization (ICAO) statistical programme and standards.

All data on number of passengers, freight and mail are related to international air transport. BiH has no domestic air transport.

## **DEFINITIONS**

### **Airport**

A defined area of land or water (including any buildings, installations and equipment) intended to be used either wholly or in part for the arrival, departure and surface movement of aircraft and open for commercial air transport operations.

### **Aircraft**

Any machine that can derive support in the atmosphere from the reactions of the air other than the reactions of air against the earth's surface

### **Aircraft movement**

An aircraft take-off or landing at an airport. For airport traffic purposes one arrival and one departure is counted as two movements. Included are all commercial aircraft movements and non-commercial general aviation operations. Excluded are State flights, touch and go, overshoots and unsuccessful approaches.

### **Air transport**

Any movement of goods and/or passengers on an aircraft movement.

### **Commercial air transport**

Any movement of goods and/or passengers on a commercial aircraft movement.

### **National air transport**

Air transport on a domestic flight

### **International air transport**

Air transport on an international flight.

### **On flight origin and destination (OFOD)**

Traffic on a commercial air service identified by a unique flight number subdivided by airport pairs in accordance with point of embarkation and point of disembarkation on that flight.

### **Air passengers carried**

All passengers on a particular flight (with one flight number) counted once only and not repeatedly on each individual stage of that flight.

All revenue and non-revenue passengers whose journey begins or terminates at the reporting airport and transfer passengers joining or leaving the flight at the reporting airport. Excludes direct transit passengers.

### **Freight**

Any property carried on an aircraft other than mail, stores and baggage.

For statistical purposes, freight includes express freight and parcels and diplomatic bags but not passenger baggage. All trucking operations using an air waybill should be excluded.
